### About Gift IFSC, Opportunities and Regulatory updates at IFSC

The Honourable Prime Minister of India's vision is Gift City becoming the price setter for at least a few of the largest traded instruments in the world, whether in commodities, currencies, equities, interest rates or any other financial instrument. An International Financial Services Centre (IFSC) caters to customers outside the jurisdiction of the domestic economy enabling the flow of finance, financial products and services across borders. Among over 100 global financial centres; London, New York and Singapore rank among the top while emerging IFSCs like Shanghai and Dubai are not far behind.

India offers investors an Onshore market (a vibrant and one of the most efficient domestic markets globally with two leading exchanges—National Stock Exchange and Bombay Stock Exchange) which caters to domestic and international investors alike.

IFSC, an offshore market at Gift SEZ has two international exchanges (i.e. India International Exchange (IFSC) Limited (subsidiary of Bombay Stock Exchange; website www.indiainx.com) and NSE IFSC Limited (subsidiary of National Stock Exchange; website www.nseifsc.com). Both these exchanges have their Clearing Corporations (i.e. India International Clearing Corporation (IFSC) Ltd and NSE IFSC Clearing Corporation Limited). Both the Clearing Corporations are recognised as "A Qualified Central Counter Party (QCCP)" and "A Third Country Central Counterparty (TC-CCP) recognised under EMIR by ESMA".

The functional currency at IFSC, Gift City is USD and all the trades are executed and settled in USD currency and accounted for in USD currency.

The IFSC at Gift SEZ offers a very competitive tax regime with various tax benefits to investors and intermediaries. The entities at IFSC have a 10 year tax holiday during which a Minimum Alternate Tax (MAT) of 9% is applicable. For investors, there is no transaction related tax, no capital gains, no Goods and Services Tax and no dividend distribution tax and exemptions from stamp duty too.

IFSC offers business opportunities for diverse business segments – banks, brokers, capital market intermediaries, custodians and global custodians, global securities firms, merchant bankers, mutual funds, alternate investment funds, professional firms for legal, accounts and audit and ancillary services, insurance and re-insurance companies and brokers, research and IT oriented services etc.

### **Important Regulatory updates at IFSC**

1. IFSC Authority Act 2019

The IFSC Authority Act, 2019, was notified on December 20, 2019. This notification was the first step in setting up of a unified regulatory authority which will regulate all the financial activities at the International Financial Services Centres (IFSCs) in India. This in turn will facilitate ease of doing business for foreign investors at GIFT IFSC. The IFSC Regulatory Authority will be headquartered in Gandhinagar.

2. Introduction of USD-INR currency derivatives

Pursuant to the Budget announcement in the Finance Bill 2020 of permitting Rupee derivatives to be traded in the IFSC, SEBI specified the positions limits for eligible market participants for Currency Future and Options Contracts on Exchanges in IFSCs.

Further, the RBI on March 27, 2020 has permitted the Banks having presence at Gift IFSC (known as IBUs) to offer offshore non-deliverable Rupee derivative contracts to persons not resident in India.

3. Taxation and duties related measures and clarifications at GIFT IFSC

Some of the significant measures pertaining to taxation for various participants are as under:

- a) The Budget 2020 announced a reduction of withholding tax on debt securities listed at GIFT IFSC exchanges to 4% (earlier 5%).
- b) Exemption from Capital Gains for securities traded at IFSC exchanges. The notified securities include Foreign Currency denominated Bonds, Units of a Mutual Funds / AIFs / Business Trust and Foreign Currency denominated Equity shares.

- c) Eligible Foreign Investor (EFI) shall be deemed as a Foreign Institutional Investor (FII) for the purposes of transactions in securities on the stock exchanges in the IFSC where the consideration is paid in a foreign currency
- d) The Finance Act 2020 provides that no stamp duty shall be chargeable on transactions executed on any exchanges in any IFSC set up the Special Economic Zones Act, 2005.

### **Independent Auditor's Report**

### To the Members of StockHolding Securities IFSC Limited (SSIL)

### **Report on the Standalone Financial Statements**

### Opinion

We have audited the accompanying standalone financial statements of Stockholding Securities IFSC Limited (herein after referred to as 'the Company') which comprise the balance sheet as at 31st March 2020, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the period ended on 31st March, 2020 and a summary of significant accounting policies and other explanatory information (herein after referred to as 'the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the Financial position of the Company as at 31st March, 2020 and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India altogether with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

### COVID-19 Impact:

We draw attention to Note 1.17 to the Stand alone financial statements, as regarding management evaluation of COVID-19 impact on the future performance of the company.

Our opinion is not modified in respect of this matter.

# Responsibilities of the Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of the standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making

judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements for the year ending on 31st March, 2020, management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAPs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (1) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section(11) of section143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.

### Annexure - A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ending on March 31, 2020, we report that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) The Company has a programme of physical verification of its fixed assets by which fixed assets are verified once every year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its asset. Pursuant to the program, the fixed assets were verified during the period under audit. In our opinion and according to information and explanation given to us no material discrepancies were noticed on such verification.
  - (c) According to the information and explanation given to us and based on the examination of registered lease deed provided to us in respect of immovable properties that has been taken on lease and disclosed as fixed asset, the lease agreements are in the name of the Company.
  - (d) The Company is in service industry and primarily offering broking and clearing services, and other related services as a capital markets intermediary. Accordingly, it does not hold any physical inventories. Hence reporting under paragraph 3(ii) of the Order is not applicable to the Company.
- ii. To the best of our knowledge and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, paragraph 3 (iii) of the Order is not applicable.
- iii. To the best of our knowledge and according to the information and explanations given to us, the Company has not made any investment or provided any guarantee or security in terms of provisions of section 185 and 186 of the Act. Hence reporting under paragraph 3 (iv) of the Order is not applicable
- iv. To the best of our knowledge and according to the information and explanations given to us, the Company has not accepted deposits from public and therefore, reporting under paragraph 3 (v) of the Order is not applicable.
- v. To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act in respect of services rendered by the Company. Hence reporting under clause 3(vi) of the order is not applicable to the Company.
- vi. To the best of our knowledge and according to the information and explanations given to us, in respect of statutory dues:
  - (a) The Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Service Tax, Goods and Service Tax, Customs Duty, Excise duty, Cess and other material statutory dues as applicable with the appropriate authorities.
  - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Service Tax, Goods and Service Tax, Customs Duty, Excise duty, Cess and other material statutory dues as applicable in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.
  - (c) There were no material dues of Income Tax, Sales tax, Service Tax, Goods and Service Tax, Duty of customs, Duty of Excise, Value Added tax as applicable that were not deposited by the Company on account of dispute.

- vii. To the best of our knowledge and according to the explanations given to us, the Company has not taken any loans or borrowings from any financial institution, banks, government or has not issued any debentures. Hence reporting under paragraph 3 (viii) of the Order is not applicable to the Company.
- viii. To the best of our knowledge and according to the information and explanations given to us, the Company has not raised monies by way of initial public offer or further public offer (including debt instruments) and term loans and hence reporting under clause paragraph 3(ix) of the Order is not applicable to the Company.
- ix. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- x. In terms of Notification No G.S.R. 08(E) dated January 4, 2017 issued by the Ministry of Corporate Affairs under section 462 of the Act, the provisions of section 197 in respect of payment of managerial remuneration are not applicable to the Company as it is an ISFC Company. Hence reporting under clause paragraph 3 (xi) of the Order is not applicable to the Company.
- xi. To the best of our knowledge and according to the information and explanations given to us, the Company is not a nidhi company. Hence reporting under the paragraph 3(xii) of the Order is not applicable.
- xii. In terms of Notification No G.S.R. 08(E) dated January 4, 2017 issued by the Ministry of Corporate Affairs under section 462 of the Act, the provisions of section 177 pertaining to Audit Committee are not applicable to the Company as Company is an IFSC company. However, as a good governance practice the company has formed an Audit, Risk and New Initiative Committee of the Board that oversees the related functions. To the best of our knowledge and according to the information and explanations given to us, the company is incompliance with the provisions of Section188 pertaining to Disclosures on Related Party Transactions of the Act, as applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements for the period. Though provisions of section 188 of the Companies Act are not applicable as company being an IFSC company, disclosure requirement pertaining to Related Party Transactions are fulfilled to comply with requirements of Ind AS 24 on Related Party Disclosures as a prudent accounting practice.
- xiii. The Company has not made any private placement of shares during the period.
- xiv. To the best of our knowledge and according to the information and explanations given to us, during the period under audit the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and thus provisions of section 192 of the Companies Act, 2013 are not applicable to the Company. Hence reporting under paragraph 3(xv) of the Order is not applicable.
- xv. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

### Annexure - B to the Auditors' Report

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Stockholding Securities IFSC Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone

financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### 1. Significant Accounting Policies

### **Overall consideration**

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements, except where the company has applied certain accounting policies and exemptions upon transition to Ind AS.

### 1.1. Basis of preparation

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain assets and liabilities where fair value model has been used, e.g. certain financial assets and liabilities measured at fair value, etc. The Ind AS are prescribed under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards)Rules, 2015 and Companies (Indian Accounting Standards)Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Ind AS is applicable to the Company with effect from 16th July,2018, being a Subsidiary of the Stock Holding Corporation of India Limited falling under the mandatory Phase1.

Ind AS 116 replaces existing standard Ind AS 17 "Leases". The standard is effective for annual periods beginning on or after April 1, 2019.

### Notes to the Financial Statements for the Period Ended March 31, 2020

Ind AS 116 introduces a single, on balance sheet lease accounting model for lessees. A lessee recognizes a rightof-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short term leases and leases of low value items.

Lessor accounting remains similar to the current standard.

### 1.2. Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and their reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

### 1.3. Current / non-current classification

Assets and liabilities in the balance sheet are classified into current/ non-current. An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

#### 1.4. Foreign currency translation

### **Functional and presentation currency**

The financial statements are presented in INR, which is the reporting or presentation currency. In addition, the corresponding figures for USD which is the functional currency are also stated alongside to meet any requirements for an SEZ company.

# **StockHolding**

### Notes to the Financial Statements for the Period Ended March 31, 2020

### Foreign currency transactions and balances

- i) Transactions denominated in foreign currency (i.e. other than the functional currency) are normally recorded at the exchange rate prevailing at the date of transaction.
- ii) Invoices raised in INR currency are recorded as per (i) above and the same are paid in INR currency. Any income or expenses on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.
- iii) Monetary items denominated in foreign currencies at the period are restated at the period rates.
- iv) Non-monetary items denominated in foreign currencies are carried at cost.

### 1.5. Segment and Revenue Reporting

The company has started operations w.e.f. October 31,2019 and is operative in only one segment i.e. Trading & Clearing Services and hence for the period ended March 31,2020, segment reporting does not apply.

### 1.6. Operating expenses

Operating expenses are recognised in profit or loss upon utilisation of the service or as incurred.

### 1.7. Property, plant and equipment

Where Items of Property, Plant and Equipment (PP&E) are installed for use, the same are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any.

Items of property, plant and equipment (PP&E) are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure related to an item of PP&E are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Depreciation on PP&E is charged under the straight line method over the useful life of the assets as specified in Schedule II to the Companies Act, 2013 or at such higher rates for assets wherein a lesser useful life has been estimated due to rapid advancement in technology.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### 1.8. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost.

Where computer software which forms an integral part of the related hardware, it is capitalised along with the hardware as fixed asset. Software which are not an integral part of computer hardware and from which future economic benefits are expected are treated as intangible assets.

Software developed internally or major customisations to acquired software is recognised as an asset at cost when significant economic benefits are expected to accrue in future. Cost comprises all expenditure that can be directly attributed for creation, production and making the software ready for its intended use.

### 1.9. Income taxes

Tax expense for the Period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Provision for current income tax is made on the basis of the assessable income under the Income tax Act, 1961.

### Notes to the Financial Statements for the Period Ended March 31, 2020

Tax expense recognised in profit or loss comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income taxes are calculated using the liability method.

Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

### 1.10. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Bank balances held in INR (in SNRR Account) are converted to functional currency USD at the period rate for the purpose of reporting.

### 1.11. Equity, Reserves and Dividend payments

Share capital represents the nominal (par) value of shares that have been issued. Share premium includes any premiums received on issue of share capital. Any transaction costs associated with the issuing of shares are deducted from share premium, net of any related income tax benefits. Other components of equity include the following:

- remeasurement of net defined benefit liability comprises the actuarial losses from changes
- in demographic and financial assumptions and the return on plan assets

Retained earnings include all current and prior period retained profits.

All transactions with owners of the parent are recorded separately within equity.

Dividend distributions payable to equity shareholders, if any, are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

### 1.12. Post-employment benefits and short-term employee benefits

The company currently has employees deputed from the holding company i.e StockHolding Corporation of India Limited and two employees on the roles of SSIL. The deputed employees are covered under the applicable plans of the holding company for post-employment benefit plans, defined contribution plans etc. The Provident Fund Scheme contributions for the employees of SSIL are being paid as scheduled and a suitable policy for insurance is in place while policy for post employment benefits is under formulation.

### 1.13. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and as realisable estimate can be made of the amount of the obligation. When the Company expects some or all of the provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

### Notes to the Financial Statements for the Period Ended March 31, 2020

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to passage of time is recognised as a finance cost.

#### 1.14. Contingent liabilities

Contingent Liabilities are not recognised but are disclosed in notes in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

### 1.15. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss before other comprehensive income for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before other comprehensive income for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

### 1.16. Significant accounting judgements, estimates and assumptions

When preparing the financial statements, management makes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. Previous period figures have been regrouped / reclassified and rearranged wherever necessary to correspond with the current period classification / disclosure.

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

### a) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carry-forwards can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

### b) Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technological obsolescence that may change the utility of certain software and IT equipment.

#### 1.17. Disclosure on Impact Assessment due to COVID 19

The management of SSIL is closely monitoring the evolving situation pertaining to the COVID 19 pandemic and continuously taking efforts to ensure safety of all its staff members, the normal conduct of business operations and resolution of issues, if any, while adhering to MHA and State Government circulars issued from time to time. SSIL continues to operate normally and hence there is no significant impact considered in the financial results.
