Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the stand alone periodic financial statements are free from material misstatement. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India altogether with the independence requirements that are relevant to our audit of the periodic standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Management and Those Charged with Governance for the Periodic Standalone Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of the Periodic standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements for the period ending on 31st March 2021, management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Periodic standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAPs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Periodic standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (1) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Periodic standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone

financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Stockholding Securities IFSC Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Periodic standalone financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Periodic standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding their liability of financial reporting and the preparation of Periodic standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Periodic

standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Periodic standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31,2021

Note 1

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

Corporate information

Stock Holding Securities IFSC Limited (SSIL or Company) was promoted by the public financial institutions and incorporated as a limited company on July 16, 2018. It's registered office and principal place of business is 518, Signature Building, Gift SEZ, Gift City, Gandhinagar, Gujarat 382355, India.

The company is a wholly owned subsidiary of Stock Holding Corporation of India Limited. With effect from 28th March, 2014, Stock Holding Corporation of India Ltd. (Stock Holding) - the Holding Company, has become a subsidiary of IFCI Ltd. & hence, IFCI Ltd. is the Ultimate Holding Company for Stock Holding Securities IFSC Ltd. from the date of inception.

The financial statements of the Company have been prepared in accordance with Ind-AS as issued by the Ministry of Corporate Affairs (MCA). SSIL has received approval from SEBI for Clearing Membership and has commenced operations as a Trading and Clearing member on both the exchanges at GIFT IFSC. SSIL offers services in accordance with the SEBI IFSC Regulations 2015 and the offerings will include broking, clearing and settlement and other financial services to all eligible investors as may be permissible to invest at IFSC, Gift City.

In accordance with the provisions of the GIFT SEZ as applicable to IFSC jurisdiction, the Company maintains its accounts in USD which is the functional currency. Investments, deposits, income, provisions and expenses arising and settled in IFSC or any other foreign jurisdiction are accounted and settled in USD currency. All other revenue expenses, provisions, write backs and asset procurements are incurred and settled in INR currency and accounted for in the functional currency.

1. Significant Accounting Policies

Overall consideration

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements, except where the company has applied certain accounting policies and exemptions upon transition to Ind AS.

1.1. Basis of preparation

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain assets and liabilities where fair value model has been used, e.g. certain financial assets and liabilities measured at fair value, etc. The Ind AS are prescribed under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules,2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Ind AS is applicable to the Company with effect from 16th July,2018, being a Subsidiary of the Stock Holding Corporation of India Limited falling under the mandatory Phase1.

Ind AS 116 replaces existing standard Ind AS 17 "Leases". The standard is effective for annual periods beginning on or after April 1, 2019.

Notes to the Financial Statements for the year ended March 31,2021

Ind AS 116 introduces a single, on balance sheet lease accounting model for lessees. A lessee recognizes a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short term leases and leases of low value items. Right to use on security deposit for lease has been recognized from the current financial year.

Lessor accounting remains similar to the current standard.

1.2. Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and their reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.3. Current / non-current classification

Assets and liabilities in the balance sheet are classified into current/ non-current. An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

1.4. Foreign currency translation

Functional and presentation currency

The financial statements are presented in INR, which is the reporting or presentation currency. In addition, the corresponding figures for USD which is the functional currency are also stated alongside to meet any requirements for an SEZ company.

Notes to the Financial Statements for the year ended March 31,2021

Foreign currency transactions and balances

- i) Transactions denominated in foreign currency (i.e. other than the functional currency) are normally recorded at the exchange rate prevailing at the date of transaction.
- ii) Invoices raised in INR currency are recorded as per (i) above and the same are paid in INR currency. Any income or expenses on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.
- iii) Monetary items denominated in foreign currencies at the end of the period are restated at the closing rates.
- iv) Non-monetary items denominated in foreign currencies are carried at cost.

1.5. Segment and Revenue Reporting

The company has started operations w.e.f. October 31,2019 and is operative in only one segment i.e. Trading & Clearing Services and hence for the year ending March 31,2021, segment reporting does not apply.

1.6. Operating expenses

Operating expenses are recognised in profit or loss upon utilisation of the service or as incurred.

1.7. Property, plant and equipment

Where Items of Property, Plant and Equipment (PP&E) are installed for use, the same are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any.

Items of property, plant and equipment (PP&E) are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure related to an item of PP&E are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Depreciation on PP&E is charged under the straight line method over the useful life of the assets as specified in Schedule II to the Companies Act, 2013 or at such higher rates for assets wherein a lesser useful life has been estimated due to rapid advancement in technology.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.8. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost.

Where computer software which forms an integral part of the related hardware, it is capitalised along with the hardware as fixed asset. Software which are not an integral part of computer hardware and from which future economic benefits are expected are treated as intangible assets.

Software developed internally or major customisations to acquired software is recognised as an asset at cost when significant economic benefits are expected to accrue in future. Cost comprises all expenditure that can be directly attributed for creation, production and making the software ready for its intended use.

Notes to the Financial Statements for the year ended March 31, 2021

1.9. Income taxes

Tax expense for the Period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Provision for current income tax is made on the basis of the assessable income under the Income tax Act, 1961.

Tax expense recognised in profit or loss comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income taxes are calculated using the liability method.

Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

1.10. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Bank balances held in INR (in SNRR Account) are converted to functional currency USD at the period rate for the purpose of reporting.

1.11. Equity, Reserves and Dividend payments

Share capital represents the nominal (par) value of shares that have been issued. Share premium includes any premiums received on issue of share capital. Any transaction costs associated with the issuing of shares are deducted from share premium, net of any related income tax benefits. Other components of equity include the following:

- remeasurement of net defined benefit liability – comprises the actuarial losses from changes
- in demographic and financial assumptions and the return on plan assets

Retained earnings include all current and prior period retained profits.

All transactions with owners of the parent are recorded separately within equity.

Dividend distributions payable to equity shareholders, if any, are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

1.12. Post-employment benefits and short-term employee benefits

The company currently has employees deputed from the holding company i.e Stock Holding Corporation of India Limited and two employees on the rolls of SSIL. The deputed employees are covered under the applicable plans of the holding company for post-employment benefit plans, defined contribution plans etc. The Provident Fund Scheme contributions for the employees of SSIL are being paid as scheduled and a suitable policy for insurance is in place while policy for post employment benefits is under formulation.

1.13. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and as realisable estimate can be made of the amount of the obligation. When the Company

Notes to the Financial Statements for the year ended March 31,2021

expects some or all of the provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to passage of time is recognised as a finance cost.

1.14. Contingent liabilities

Contingent Liabilities are not recognised but are disclosed in notes in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

1.15. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss before other comprehensive income for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before other comprehensive income for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.16. Significant accounting judgements, estimates and assumptions

When preparing the financial statements, management makes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. Previous period figures have been regrouped / reclassified and rearranged wherever necessary to correspond with the current period classification / disclosure.

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

a) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carry-forwards can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

b) Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technological obsolescence that may change the utility of certain software and IT equipment.

1.17. Disclosure on Impact Assessment due to COVID 19

The management of SSIL is closely monitoring the evolving situation pertaining to the COVID 19 pandemic and continuously taking efforts to ensure safety of all its staff members, the normal conduct of business operations and resolution of issues, if any, while adhering to MHA and State Government circulars issued from time to time. SSIL continues to operate normally and hence there is no significant impact considered in the financial results.
