## EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 Item no. 4:

Smt. S. Karpagam was appointed as an Additional Director of the Company with effect from 04.10.2022, in accordance with the provisions of Section 161 of the Companies Act, 2013, read with the Articles of Association of the Company. Pursuant to Section 161 of the Companies Act, 2013, the above director holds office only up to the date of the ensuing Annual General Meeting of the Company. Smt. Smt. S. Karpagam is not disqualified from being appointed as Director in terms of Section 164 of Companies Act, 2013 and has given her consent to act as Director. The Board have completed a formal annual evaluation of her performance based on the evaluation criteria as set in the Nomination and Remuneration Policy of the IFCI Financial Services Limited being its Holding Company.

The Board is of the view that the appointment of Smt. S. Karpagam as Director is desirable and would be beneficial to the Company and hence it recommends the said Resolution No. 4 for approval by the members of the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Smt. S. Karpagam herself, is in any way concerned or interested, in the said resolution. The Board recommends the said resolution to be passed as an ordinary resolution.

#### Item no. 5:

Mr. Sanjay Pote (DIN: 08085505) was appointed as an Additional Director of the Company with effect from 10.05.2023, in accordance with the provisions of Section 161 of the Companies Act, 2013, read with the Articles of Association of the Company. Pursuant to Section 161 of the Companies Act, 2013, the above director holds office only up to the date of the ensuing Annual General Meeting of the Company. Mr. Sanjay Pote is not disqualified from being appointed as Director in terms of Section 164 of Companies Act, 2013 and has given his consent to act as Director.

The Board is of the view that the appointment of Mr. Sanjay Pote as Director is desirable and would be beneficial to the Company and hence it recommends the said Resolution No. 5 for approval by the members of the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Mr. Sanjay Pote himself, is in any way concerned or interested, in the said resolution. The Board recommends the said resolution to be passed as an ordinary resolution.

#### IFIN COMMODITIES LIMITED

15th ANNUAL REPORT – 2022-23

(Subsidiary of IFCI Financial Services Limited)

#### **BOARD'S REPORT**

То

#### The Members of

#### **IFIN** Commodities Limited

The Board of Directors of your Company presents the 15<sup>th</sup> Annual Report of IFIN Commodities Limited, together with the Audited Financial Statement, for the year ended March 31, 2023.

#### **1.Financial Performance**

Rs. in lakhs

Particulars	YE 31.03.2023	YE 31.03.2022 Actual	
	Actual		
Revenue from operations	33,01	44.37	
Other income	13.52	18.60	
Total income	46.53	62.97	
Employee cost	72.13	67.82	
Finance cost	1.64	1.08	
Depreciation	_	-	
Other expenses	38.56	60.00	
Bad debts	_	_	
Total expenses	112.33	128.90	
Surplus of income over exp.	(65.80)	(65.93)	
Provision for Doubtful debts and advances	-	-	
Profit/ (loss) before tax	(65.80)	(65.93)	
Tax	-	-	
Deferred Tax	-	-	
РАТ	(65.80)	(65.93)	
Other Comprehensive Income	(4.48)	4.77	
Total Other Comprehensive Income	(70.28)	(61.16)	

#### 2. Operations

During the FY 2022-23, total income for the FY 2022-23 has decreased to Rs. 46.53 lakhs from Rs. 62.97 lakhs in the previous FY 2021-22. Revenue from Operation has reduced to Rs. 33.01 lakhs during the current FY 2022-23 compared to Rs. 44.37 lakhs in the corresponding previous FY 2021-22. Other Income mainly consists of Interest

on Fixed Deposits 13.37 lakhs. During the year Employee cost increased to Rs. 72.13 lakhs for FY 2022-23 as compared to Rs. 67.82 lakhs for previous year FY 2021-22. Total expenses decreased to Rs. 112.33 lakhs for FY 2022-23 as compared to Rs. 128.90 lakhs for the previous FY 2021-22. Addition of provision of doubtful debts of Rs. 0.02 lakh provided during the Current Financial year. The company incurred loss after tax of Rs.65.80 lakhs for FY 2022-23, as against loss after tax of Rs. 65.93 lakhs for the previous FY 2021-22. Total comprehensive Income stood at negative Rs.70.28 lakhs for F.Y.22-23, as against negative Rs.61.16 lakhs for the previous FY 2021-22.

#### 3. Business Environment

The Bullion products like Gold and Silver investment has attention among the investors. Commodities are relatively easy to understand, as the prices of Commodities are determined through fundamentals of demand and supply. Commodities offer immense potential opportunity to become a separate asset class for market-savvy investors, arbitrageurs and speculators. Rate hikes and concurrent continued inflation and geopolitical risks may create headwinds for Gold in near future. The yellow metal price opportunities are expected always to transform the investments from the other markets. Crude oil, zinc, copper and silver are also active commodities among all.

#### 4. Dividend

No dividend is being recommended by the Directors for the year ended March 31<sup>st</sup>, 2023.

#### 5. Transfer To Reserves

Since profits are inadequate for the FY 2022-23, no amount has been transferred to reserves.

#### 6. Directors and Key Managerial person

### COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF IFIN COMMODITIES LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The preparation of financial statements of IFIN Commodities Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139 (5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 10 May 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of IFIN Commodities Limited for the year ended 31 March 2023 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.

For and on behalf of the Comptroller & Auditor General of India

S. Velliand'

Principal Director of Commercial Audit

#### INDEPENDENT AUDITOR'S REPORT

То

#### The Members of IFIN Commodities Limited

#### **Report on the Audit of the Financial Statements**

#### Opinion

We have audited the accompanying financial statements of **IFIN Commodities Limited** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2023, the statement of profit and loss (including Other Comprehensive Income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the financial statements and our auditor's report thereon, which are expected to be made available to us after the date of this Auditor's Report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

# Responsibilities of the Management and Those Charged with Governance for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's

ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(5) of the Companies Act, 2013 we enclose herewith in Annexure B, the directions including sub directions issued by the Comptroller & Auditor General of India.
- 3. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of cash flow dealt with by this report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) Disqualification of directors stated under Section 164(2) of the Act is not applicable to a Government Company as per notification no. GSR 463(E) of the Ministry of Corporate Affairs dated 05/06/2015.
  - f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure C".
  - g) Being a Government Company, the provisions of section 197 are not applicable to the Company as per the notification of MCA in G.S.R. 463(E) dated 5th June 2015 and therefore the reporting requirement under section 197(16) does not arise.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 26 to the financial statements).

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) contain any material mis-statement.

v. The company has not declared or paid any dividend during the year.

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

#### ANNEXURE- A TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirement' of our report of even date to the members of IFIN Commodities Limited on the financial statements of the Company for the year ended March 31, 2023).

- (i) (a) On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:
  - (A) The company does not own any property plant and equipments.
  - (B) The company does not own any intangible assets.

(b) The company has no PPE and hence reporting under this clause does not arise.

(c) The company does not own any immovable properties and hence reporting under this clause does not arise.

(d) As the company does not have any PPE, reporting under this clause does not arise.

(e) According to information and explanation given to us and in our opinion, there are no proceedings initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

(ii) (a) The company does not have any inventories and hence reporting under this clause does not arise.

(b) The company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets and hence reporting under this clause does not arise.

(iii) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not made any investments and has not granted any loans, secured or unsecured, to companies, firms, Limited

Liability Partnerships or other parties and as such the provisions of this clause are not applicable to the company.

- (iv) In our opinion and according to the information and explanations given to us, the company has not entered into any transactions in respect of any loans, investments, security and guarantees covered under Section 185 and 186 of the Companies Act, 2013.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts deemed to be deposits. Hence reporting under 3(v) of the Order is not applicable.
- (vi) In our opinion and according to the information and explanations given to us, the maintenance of cost records under sub-section (1) of section 148 of the Act is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us, and in our opinion, the Company has been regular in depositing with the appropriate authorities the undisputed statutory dues in the case of Provident Fund, Employees' State Insurance, Income-Tax, Goods & Services Tax, and any other material statutory dues applicable to it. To the best of our knowledge and according to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2023 for a period of more than six months from the date on when they become payable.
  - (b) There are no disputed dues of Income-Tax, Sales Tax, Excise Duty, GST, Customs Duty, and Value Added Tax which have not been deposited as on March 31, 2023.
- (viii) According to the information and explanations given to us and on the basis of our examination, there are no transactions not recorded in the books of account, which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) (a) According to information and explanations given to us and on the basis of our audit procedures, the company has not taken any loans or borrowings and hence reporting under this clause does not arise.

(b) According to information and explanations given to us and on the basis of our audit procedures, the company has not been declared wilful defaulter by any bank or

financial institution or other lender;

(c) According to information and explanations given to us and on the basis of our audit procedures, the company has not taken any term loans and hence reporting under this clause is not applicable.

(d) According to information and explanations given to us, the procedures performed by us and on the basis of our overall examination of financial statements, the company has not raised any fund on short term basis and hence reporting under this clause does not arise.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, the company does not have any subsidiaries, associates or joint ventures. Hence provisions of clause 3(ix)(e) of the Order are not applicable.

(f) According to the information and explanations given to us and on an overall examination of the financial statements of the company, the company does not have any subsidiaries, associates or joint ventures. Hence provisions of clause 3(ix)(f) of the Order are not applicable.

 (a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer during the year. Accordingly, paragraph 3(x)(a) of the Order is not applicable.

(b) In our opinion and according to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or fully, partially or optionally convertible debentures during the year. Accordingly, paragraph 3(x)(b) of the Order is not applicable.

(xi) (a) To the best of our knowledge and belief and according to the information and explanations given to us by the Company, no material fraud by the company or any fraud on the company by its officers and employees has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report.

(c) As represented by the management, there are no whistle-blower complaints received by the company during the year.

- (xii) The company is not a Nidhi Company and hence provisions of clause 3 (xii) of the Order are not applicable to the Company .
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with section 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the financial statements as required by the applicable Accounting Standards.
- (xiv) (a) In our opinion and based on our examination the company has an internal audit system commensurate with the size and nature of its business;

(b) We have considered the Internal Audit reports of the company issued during the year and till date for the purpose of audit.

- (xv) According to the information and explanations given to us and on the basis of our examination the company has not entered into any non-cash transactions with directors or persons connected with its directors and hence provisions of Section 192 of Companies Act, 2013 are not applicable to the Company.
- (xvi) a) The Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934. Hence, provisions of clause 3(xvi)(a) of the Order are not applicable to the Company.

b) According to the information and explanations given to us and on the basis of our examination, the company has not conducted any Non-Banking Financial or Housing Finance activities and accordingly provisions of clause 3(xvi)(b) of the Order are not applicable to the Company.

c) According to the information and explanations given to us and on the basis of our examination, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence provisions of clause 3(xvi)(c) and (d) of the Order, are not applicable to the Company.

- (xvii) According to the information and explanations given to us and on the basis of our overall examination of the financial statements, the company has incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly reporting under clause 3(xviii) is not applicable.

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) The provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility (CSR) are not applicable to the Company as it does not meet the applicability criteria. Accordingly, the provisions of clause xx (a) and (b) are not applicable to the Company.

We have audited the internal financial controls over financial reporting of IFIN Commodities Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial

controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these financial statements of the Company.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# IFIN Commodities Limited Notes to the financial statements CIN: U93000TN2009GOI070524

(All amounts are in Indian Rupees, unless otherwise stated)

- 1 Significant Accounting Policies
- A Reporting Entity

IFIN Commodities Limited or ICOM (the Company) is a subsidiary of IFCI Financial Services Limited. It was set up to spearhead exchange based Commodity trading. ICOM was incorporated on January 21, 2009.

The company is primarily engaged in the business of providing Commodity market related transaction services. It is a registered member of the Multi Commodity Exchange Ltd (MCX) and National Commodity and Derivatives Exchange (NCDEX).

Decision to continue with the process of merger considered at the meeting of the Board of Directors held on April 22, 2015, between IFIN Commodities Limited and IFIN Credit Limited, (subsidiaries of IFCI Financial Services Limited) was put on hold vide letter dated June 13, 2016 from IFCI Limited (ultimate holding company), as they are in the process of obtaining approval in this regard from Government of India. The same had been intimated to the office of the Regional Director, Southern Region, vide company's letter dated June 24, 2016. The company is yet to receive any approval in this regard.

## B Summary of Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

# a) Basis of Preparation

# (i) Statement of Compliance

The Financial Statements for the year ended March 31, 2023 have been prepared by the Company in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with relevant rules of the Companies (Indian Accounting Standards) Rules, 2015.

For periods up to and including the year ended March 31, 2018, the Company presented its financial statements on accrual basis under historical cost convention, and conform in all material aspects to the Generally Accepted Accounting Principles in India ('Indian GAAP' or 'previous GAAP') which encompasses applicable accounting standards relevant provisions of the Companies Act, 2013.

The financial statements for the year ended March 31, 2023 are the fourth financial statements of the Company prepared under Ind AS and the date of transition to the Ind AS was April 1,2017.

The financial statements were authorised for issue by the Company's Board of Directors on May 10,2023.

The financial statements have been prepared in accordance with historical cost basis, except for certain financial instruments which are measured at fair values, as explained in the accounting policies.

# (ii) Functional and Presentation Currency

These financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency. All amounts are rounded off to the nearest two decimal, except when otherwise indicated.

# (iii) Use of Estimates and Judgment

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

# (v) Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of Cash Flows'

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(vi) Measurement of Fair Values

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

# b) Financial Instruments

(i) Initial recognition and measurement

All Financial Assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction cost that are attributable to the acquisition of the Financial Asset. Transaction costs directly attributable to the acquisition of financial assets measured at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

# (ii) Classification and Subsequent Measurement

For the purpose of subsequent measurement, Financial Assets are classified in four categories: • Financial Assets at amortised cost • Debt Instruments at fair value through Other Comprehensive Income (FVTOCI) • Equity Instruments at fair value through Other Comprehensive Income (FVTOCI) • Financial Assets and derivatives at fair value through profit or loss (FVTPL)

# **Financial Assets**

On initial recognition, a financial asset is classified and measured at - Amortised Cost; - FVOCI; or - FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of Profit and Loss.			
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is recognised in Statement of Profit and Loss.			
FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.			

# Financial Liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

# (iii) Derecognition

# Financial Assets

The Company derecognises a financial asset when :

- the contractual rights to the cash flows from the financial asset expire, or

- the company transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

### Financial Liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in Statement of Profit and Loss.

## (iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

# c) Investments

Investments in subsidiaries, joint ventures and associates are accounted for at cost in the financial statements and the same are tested for impairment in case of any indication of impairment.

### Other Investments:

All equity investments in scope of Ind AS 109 (i.e. other than equity investments in subsidiaries / associates / joint ventures) are measured at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account. However on initial recognition of an equity instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment by investment basis.

# d) Property, Plant and Equipment

## (i) Recognition and Measurement

Property, Plant and Equipment are stated at cost (cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition including applicable borrowing costs for qualifying assets) and is net of accumulated depreciation and impairment losses, if any,

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

Ind AS 16 - Property Plant and equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or

loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual

periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

# (ii) Subsequent Expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

# (iii) Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using straight-line method and is generally recognised in the Statement of Profit and Loss.

# Residual value in respect of assets is considered as 5% of the cost for computing depreciation.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Useful life (in years) Asset Computer equipment's and accessories Office equipment's Furniture and fittings

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the month in which asset is disposed of.

5

10

# (iv) Derecognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

## e) Impairment

# (i) Impairment of Financial Instruments

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost and FVOCI. At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit - impaired. A financial asset is 'credit - impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Impairment loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls). The Company estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime impairment pattern at each balance sheet date, right from its initial recognition.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

## (ii) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is any indication that the carrying amount may not be recoverable. If any such indication exists, then the asset's recoverable amount is estimated and an impairment loss is recognised if the carrying amount of an asset or Cash Generating Unit (CGU) exceeds its estimated recoverable amount in the Statement of Profit and Loss.

The Company's non-financial assets and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets that do not generate independent cash inflows are grouped together into CGUs. Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

# f) Employee Benefits

# (i) Short-term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

### (ii) Provident Fund

Employees receive benefits from a provident fund, which is a defined contribution plan. Both the employee and the Company make monthly contributions to the Regional Provident Fund equal to a specified percentage of the covered employee's salary. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. The Company has no further obligations under the plan beyond its monthly contributions. The contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due and there are no other obligations other than the contribution payable.

## (iii) Gratuity

The Company provides for gratuity in accordance with the Payment of Gratuity Act, 1972, a defined benefit retirement plan (the Plan) covering all employees. The plan, subject to the provisions of the above Act, provides a lump sum payment to eligible employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity Scheme is operated through Group gratuity Scheme of LIC. Gratuity liability is accrued and provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial period. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI.

# (iv) Compensated Absences

The policy provides for that an employee is entitled to 24 days of earned leave per year and maximum of 30 days leave subject to availability of Annual Leave standing to the credit of the employee at any time during the year will be paid as leave salary calculated on the Gross component. The expenses on account thus arising are recognized in the profit and loss account.

Provision for long-term compensated absences is accrued and provided for on the basis of actuarial valuation made at the end of each financial period. The actuarial valuation is done as per projected unit credit method. Short-term encashment of accumulated leave balances are accounted for in the year in which the leave balances are credited to employees on actual basis.

# g) Provisions (other than for employee benefits) and Contingent Liabilities

Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets - The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'.

Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labor, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

# **Contingent Liabilities**

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

## h) Revenue Recognition

(i) Brokerage Income is recognized on the trade date of the transaction upon confirmation of the transactions by the exchanges.

(ii) Recovery from bad debts written off is recognised as income on the basis of actual realisation from customers.

(iii) Dividends declared by the respective Companies till the close of the accounting period are accounted for as income when the right to receive the dividend is established.

(iv) Interest income from financial assets is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

(v) All other income are recognized on an accrual basis, when there is no uncertainty in the ultimate realization/ collection.

### i) Leases

The Company has applied Ind AS 116 (as notified by the Ministry of Corporate Affairs on 30th March 2019) that is effective for annual periods that begin on or after 01st April 2019. Ind AS 116 'Leases' replaces Ind AS 17 'Leases. The new Standard has been applied by the Company using the modified retrospective approach, with the cumulative effect of adopting Ind AS 116 being recognized in equity as an adjustment to the opening balance of retained earnings for the current period. Prior periods have not been restated.

All leases are accounted for by recognizing a right-of-use asset and a lease liability except for a. Leases of low value assets; and b. Leases with a duration of 12 months or less

Lease liabilities are measured at the present value of the contractual payments due to the lessor over the lease term, with the discount rate determined by reference to the rate inherent in the lease unless (as is typically the case) this is not readily determinable, in which case the Company's incremental borrowing rate on commencement of the lease is used

The right-of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

### j) Income Tax

Income tax comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

# (i) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

# (ii) Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

# k) Earnings per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company

- by the weighted average number of equity shares outstanding during the financial year, excluding treasury shares

# I) Cash and Cash Equivalents

Cash and cash equivalent comprise of cash on hand and at banks including short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Other bank deposits which are not in the nature of cash and cash equivalents with a maturity period of more than three months are classified as bank balances other than cash and cash equivalents.

# m) Bank balances other than Cash and Cash equivalents

Other bank deposits which are not in the nature of cash and cash equivalents with a maturity period of more than three months are classified as bank balances other than cash and cash equivalents.

Fixed Deposits with amaturity period of more than 12 Months are classified under Other financial asset (Non current)

# C Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2022

# Capital management

The Company manages its capital to ensure that entities in the Company will be able to continue as going concern, while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, long term and short-term borrowings.

For the purposes of the Company's capital management, capital includes issued capital and other equity reserves attributable to the equity holders.

# Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using natural hedging financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, the use of financial derivatives, and the investment of excess liquidity. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

# Market risk

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The Company actively manages its currency and interest rate exposures through its finance division and uses derivative instruments such as forward contracts and currency swaps, wherever required, to mitigate the risks from such exposures. The use of derivative instruments is subject to limits and regular monitoring by appropriate levels of management.

# Credit risk management

Credit risk arises when a customer or counterparty does not meet its obligations under a customer contract or financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from its financing/ investing activities, including deposits with banks, mutual fund investments, investments in debt securities and foreign exchange transactions. The Company has no significant concentration of credit risk with any counterparty.

Notes to Financial Statements for the year ended March 31, 2023

(All Amounts are in Indian Rupees, unless otherwise stated)

# Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure is the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, margin money and other financial assets excluding equity investments.

## (a) Trade Receivables

Trade receivables are consisting of a large number of customers. The Company has credit evaluation policy for each customer and, based on the evaluation, credit limit of each customer is defined. Wherever the Company assesses the credit risk as high, the exposure is backed by either bank, guarantee/letter of credit or security deposits.

The Company does not have higher concentration of credit risks to a single customer. As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default in payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

# (b) Cash and Cash Equivalents and Bank deposits

Credit Risk on cash and cash equivalents, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/ financial institutions, who have been assigned high credit rating by international and domestic rating agencies.

## Offsetting related disclosures

Offsetting of cash and cash equivalents to borrowings as per the loan agreement is available only to the bank in the event of a default. Company does not have the right to offset in case of the counter party's bankruptcy, therefore, these disclosures are not required.

# Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit and mutual funds, which carry minimal mark to market risks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

# Liquidity tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

March 31, 2023	Due in 1st year	Due in 2nd to 5th year	Due after 5th year	Carrying amount

Notes to Financial Statements for the year ended March 31, 2023 (All amounts are in lakhs of Indian Rupees, unless otherwise stated)

# 31 Retirement benefit plans

# Defined contribution plans

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the Provident fund as well as Employee State Insurance Fund.

The total expense recognised in profit or loss of Rs. 6,15,012/- (for the year ended March 31, 2022 is Rs. 7,25,890/-) represents contribution payable to these plans by the Company at rates specified in the rules of the plan.

# Defined benefit plans

# (a) Gratuity

Gratuity is payable as per Payment of Gratuity Act, 1972. In terms of the same, gratuity is computed by multiplying last drawn salary (basic salary including dearness Allowance if any) by completed years of continuous service with part thereof in excess of six months and again by 15/26. The Act provides for a vesting period of 5 years for withdrawal and retirement and a monetary ceiling on gratuity payable to an employee on separation, as may be prescribed under the Payment of Gratuity Act, 1972, from time to time. However, in cases where an enterprise has more favourable terms in this regard, the same has been adopted.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit.
Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

# The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	March 31, 2023	March 31, 2022
Discount Rate	7.20% p.a.	7.35% p.a.
Rate of increase in compensation level	3.00% p.a.	3.00% p.a.
Attrition Rate	5% p.a.	1.00% p.a.
Expected Rate of Return on Plan Assets	7.20% p.a.	7.35% p.a.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Notes to Financial Statements for the year ended March 31, 2023 (All amounts are in lakhs of Indian Rupees, unless otherwise stated)

# (b) Leave Encashment

The company's policy provides for that an employee is entitled to 24 days of earned leave per year and maximum of 30 days leave subject to availability of Annual Leave standing to the credit of the employee at any time during the year will be paid as leave salary calculated on the Gross component. The expenses on account thus arising are recognized in the profit and loss account. Computation of Leave encashment is done on monthly "Gross Salary" comprising components of Basic pay, HRA and other monthly allowances.

Provision for long-term compensated absences is accrued and provided for on the basis of actuarial valuation made at the end of each financial period. The actuarial valuation is done as per projected unit credit method. Short-term encashment of accumulated leave balances are accounted for in the year in which the leave balances are credited to employees on actual basis.

# The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	March 31, 2023	March 31, 2022
Discount Rate	7.15% p.a.	7.35% p.a.
Rate of increase in compensation level	3.00% p.a.	3.00% p.a.
Attrition Rate	5% p.a.	1.00% p.a.
Expected Rate of Return on Plan Assets	7.15% p.a.	7.35% p.a.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Amounts recognised in total comprehensive income in respect of these defined benefit plans are as follows:	March 31, 2023 Amount in Rs.	March 31, 2022 Amount in Rs.
Amount recognised under Employee Benefits Expense in the Statement of profit and Loss:		
Current service cost	88,023.00	1,46,848.00
Net interest expense	32,186.00	61,476.00
Return on plan assets (excluding amounts included in net interest expense)		-
Actuarial (gains)/losses recognised during the period	8,82,741.00	(2,45,040.00)
Components of defined benefit costs recognised in profit or loss	10,02,951.00	(36,716.00)
Amount recognised in Other Comprehensive Income (OCI) for the Year		
Remeasurement on the net defined benefit liability comprising:		
Actuarial (gains)/losses recognised during the period	8,82,741.00	(2,45,040.00)
Components of defined benefit costs recognised in other comprehensive income	8,82,741.00	(2,45,040.00)
Total	18,85,692.00	(2,81,756.00)
<ul> <li>i. Current service cost and the net interest expense for the year are included in the 'Employee Benefits Expense' in profit or loss</li> <li>ii. The remeasurement of the net defined benefit liability is included in other comprehensive income.</li> </ul>		
The amount included in the balance sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:		
Present value of defined benefit obligation	11,60,525.00	7,18,249.00
Fair value of plan assets	-	-
Net liability arising from defined benefit obligation	11,60,525.00	7,18,249.00
Funded	(11,60,525.00)	(7,18,249.00)
Unfunded	-	-
The above provisions are reflected under 'Provision for employee benefits' (short-term provisions)	11,60,525.00	7,18,249.00
